

Programme

FIFPro Tournament 2013

6 – 7 July 2013
in Nyon, Switzerland

FIFPro Tournament

Since 2005, each year FIFPro organizes the FIFPro Tournament to help footballers without a contract find a new professional club. In July 2013, five teams from five players unions will participate in the ninth edition of this event. FIFPro invites clubs, scouts and technical directors to see the participating players in action. It is up to the players to show their best in an effort to find a new professional football club, just like many of their colleagues have done during previous FIFPro Tournaments.

Location

Centre sportif de Colovray (UEFA)
Route de Genève 37
