wyscout | APP

Wyscout for SAFP

Wyscout is eager to provide Wyscout App to all players associated, as essential tool for analysing and improving their on-field performances:

Pros

- Better video quality compared to other videos online
- Keep up to date contents and information
- Professional solution as social-network
- Best tool to study performances

How to register

1. All players associated will receive a customized mail in which is mentioned that the service is supported by [SAFP](#)
2. Click on the link and you will be landed in a page to complete your registration
3. Fill the gaps with your personal information and choose your username and password
4. Then you can login with the credentials in the Wyscout App
